Tom,

We are anxious to be open on Friday and Saturday, however at this point we will not know until Friday whether or not it has been cleared.

Sorry for the inconvenience this may be causing regarding scheduling.

I will keep you posted.

Thanks

Jon

Jon- We were just covering our staffing for this weekend and Anthony informed me that you plan on opening your locations Friday and Saturday. Can you let me know who approved this on the Mets side.

Thanks

Tom
